Washington Community Development Center

WALL OF FAME

We Are Washington is a community based outreach program formed by the 501(c)(3) I Am a Hero, Inc. The program was founded to help people come together and enlighten their minds. As the founder would like to say the community owns Washington so “We are Washington”, which means YOU are Washington, Your KIDS are Washington, the entire COMMUNITY is Washington. Our mission is to help those in the community improve their lives by creating awareness for both children and adults and funding/supporting the needs of families residing in the community by utilizing the center as a hub for classes, programs, and community events.
